

## MEMORANDUM OF UNDERSTANDING (MoU)

*between*

*the College of Education and Therapy with its seat in Poznan, Poland,  
represented by the Rector – professor Kazimiera Milanowska, MD, Ph.D.*

*and*

*Bayero University with its seat in Kano, Nigeria,  
represented by the Vice-Chancellor – professor Abubakar A. Rasheed, mni, MFR*

**The College of Education and Therapy and Bayero University,**

enter into a general agreement of mutually beneficial co-operation. The aim of the co-operation is to maintain permanent contacts between academic teachers and students, undertake joint actions, promote and exchange achievements and co-operate in the areas of teaching, science, research and administration.

### § 1

The scope of co-operation between the Parties shall include in particular:

1. Co-operation in improvement of teaching qualifications of academic teachers, development of contacts between research staff, including teacher mobility.
2. Co-operation in the teaching of students.
3. Exchange of experience and information concerning the structure and content of the curricula and organisation of the teaching processes.
4. Joint organisation and carrying out of research and exchange of the results of research.
5. Exchange of teaching materials, books, university periodicals and scientific literature.
6. Exchange of experience in administration and management of universities.
7. Joint applications for funds to finance co-operation projects.
8. Mutual assistance and support for the actions undertaken by both institutions to participate in international teaching and research programmes.

### § 2

The co-operation in the areas specified in paragraph 1 of the agreement shall include in particular:

1. Academic teachers exchange, including series of guest lectures, training, as well as research and education fellowships.
2. Visits and meetings of delegations at the universities.
3. Organisation of seminars, conferences, scientific workshops and training.
4. Joint research.

5. Joint scientific and educational publications.
6. Exchange of information concerning opportunities for co-operation.
7. Participation in international bilateral and multilateral scientific and educational programmes.

§ 3

The co-operation is based on the principles of equal treatment and mutual benefit of both universities, with their involvement - respective to their capabilities.

§ 4

The financial conditions of the co-operation shall be agreed separately every time for each individual form of co-operation, taking into consideration the financial capabilities of both universities.

§ 5

In order to fulfil the provisions of the Agreement, an annex - subject to approval by the rectors of both universities, shall be attached to it containing details of the scope and form of the planned co-operation.

§ 6

1. The Agreement has been made for unspecified time.
2. Each Party has the right to terminate the Agreement with a one month notice period.

§ 7

1. Any changes in the Agreement shall be null and void unless made in writing.
2. Any dispute arising from this agreement does not confer on any party the right to enforce it in court of law but to resolve it through a conciliator appointed and accepted by both parties

§ 8

The agreement was made in Polish and in English, in two identical copies in each language, one for each Party.
